Caribbean Disaster Emergency Management Agency (CDEMA) Actions

- A CARICOM High Level Mission to The Commonwealth of the Bahamas in the aftermath of Hurricane Dorian is planned for Thursday September 5, 2019.
- The Rapid Needs Assessment Teams are expected to start assessments on the family islands most impacted by Dorian by Wednesday September 4, 2019 after the All Clear is issued.
- The Regional Coordination Plan (RCP) remains activated (as of August 30, 2019)
- CDEMA and the UN Resident Coordinator co-chaired the seventh meeting of the Regional Response Mechanism Partners - Caribbean Development Partners Group - Disaster Management (CDPG DM), at 1:00 PM September 3, 2019 at the CDEMA CU in Lower Estate, St. Michael, Barbados.
- The Regional Response Teams remain on ALERT: (CARICOM Disaster Assessment and Coordination (CDAC), CARICOM Operational Support Team (COST), Rapid Needs Assessment Team (RNAT), the Multi-National Civil Military Coordination Cell (MNCCC), the CARICOM Disaster Relief Unit (CDRU) and the Regional Search and Rescue Team.
- CDEMA CU urges all Participating States and members of the Regional Response Mechanism (RRM) to continue to monitor the progress of this system as it tracks on to the northwestern Caribbean States.
- The CDEMA CU will continue to monitor the track of Hurricane Dorian and provide updates as necessary. For more information please visit www.cdema.org

List of actions being undertaken by RRM Partners as reported on September 3, 2019
